## COMPANY PROFILE

Liben Group Corporation is located in Qiaoxia town of Wenzhou which is well known as "The Capital of Playground Equipments in China" . With total investment 50 million USD, we have dedicated to the research, development, manufacture, sales and service of playground equipments.

Based on our corporate philosophy--Quality First, Innovation First and Service First, we strive to Build World Famous Brand Name and Pursue Century-old Enterprise. Our selected products series, whose quality and style top the industry, are as following:Outdoor series: playground equipment, swing, seesaw, spring rider, climbing frame;Site Amenity series: park bench, dustbin, outdoor fitness equipment, inflatable bounce;Ground surfacing series: sports artificial grass, landscape artificial grass, rubber mats, EVA mats;Indoor series: indoor playground, trampoline, indoor slide, play house, soft play, ball pool; Educational series: blackboard, children desks and chairs, Plastic Blocks Toy, distorting mirror,etc.Our products, which are popular in both local and global market, are widely applied in shopping malls, hotels, high-class residential areas, parks, amusement parks, and kindergartens, etc.

We firmly believe that "Science and Technology is the First Production Force" . Therefore we established our own R & D center, cooperating with Zhejiang University of Technology, whose R & D team of 38 professors and experts to ensure our constant innovation. As a result of self-development and research, we were the first, who have applied advanced technologies and the newest automatic machines, such as laser cutting technology, CNC turret punching technology, welding robot, etc in the production procedure. We have got ISO14001, ISO18000, ISO9001 Certificate, and GS certificate from TUV Company of Germany. In 2013, we were recognized and awarded many honorable titles, such as " The Leading Company of Playground & Toys Industry Area in China" , "the Key Cultural Enterprise in Zhejiang Province" , and "Caring Enterprise" by Chinese Government.

These days, Liben Group is becoming more and more international, and to be a greater leader of our Industry, we will never forget our enterprise mission:" Play, and the wisdom of play; grow, and growing fun." Liben Group Corporation is looking forward to the long, firm and win-win cooperation with you.

## HEADQUARTERS OFFICE OF LIBEN

# OUR ADVANTAGES

## Top quality, as a result of professionalization!

In the production procedure, we've applied the most advanced automatic production line and ABB robot welding technology co-developed with Beijing Machinery Automation Research Institute, which makes us more professional and guarantees high quality.

## Good price, as a result of direct selling!

Our direct selling is our way of marketing. We are going to set up our worldwide sales network, so our clients can get the best price directly from our factory.

## High Technology, as a result of innovation!

To encourage innovation, we make constant investment and effort on R & D, integration of our industry, and innovated service system. And our long-term cooperation with key Universities and Institutes in China also ensure our constant innovation and advanced technology.
